ISA Account Manager

Forester Life Limited is approved by HM Revenue & Customs as an ISA account manager under the ISA Regulations.

Registered Contact

There can only be one *Registered Contact* at any time.

The *child*, provided he (or she) has attained his (or her) 16th birthday, or any other person with *parental responsibility* for the *child* may apply to be the *Registered Contact*. Before we change the *Registered Contact*, we will require certain information and declarations. We will not change the *Registered Contact* unless the information and declarations have been provided to us. The declarations may include the consent of the existing *Registered Contact*.

Notwithstanding the previous paragraph, if the *child* is the *Registered Contact*, then the *Registered Contact* cannot be changed.

The *child* will be contacted prior to their 18th birthday to notify them that their *Plan* will automatically convert into an adult ISA if the monies are not encashed.

If we become aware that the *Registered Contact*, other than the *child*, no longer has *parental responsibility* for the *child*, then we will stop accepting instructions from the *Registered Contact*. We will resume accepting instructions only when we have changed the *Registered Contact* in accordance with our procedures.

Contributions

You, or anyone else, may contribute regular and/or single contributions to the *Plan*.

The minimum single *contribution* is £20 and the minimum regular *contribution* is £10.

The total amount contributed to the *Plan* in any tax year cannot exceed the *contribution* limit specified in the *ISA regulations*.

All *contributions* are gifts to the *child* and once accepted into the *Plan* cannot be repaid to the *contributor*.

Before we accept any *contributions* after the *child’s* 18th birthday, we will require certain information and declarations. We will not accept any such *contributions* unless the information and declarations have been provided to us.

Optional Changes to Regular Contributions

Any *contributor* may increase or decrease their regular *contributions* at any time subject to a minimum increase of £5. Regular *contributions* may not be reduced below the minimum of £10.

Any *contributor* may stop their regular *contributions* at any time. If regular *contributions* have stopped they may be restarted at any time subject to any conditions or restrictions we may apply.

Automatic Increases to Regular Contributions

Regular *contributions* paid by Direct Debit will increase automatically on the anniversary of its commencement. The increase will be equal to the proportion by which the Retail Prices Index for the month six months before the month in which the anniversary falls exceeds the Index for the month 18 months before the month in which the anniversary falls, subject to a minimum increase of 2.5%. The increase will be applied to the regular *contribution* payable immediately preceding the anniversary, allowing for any *contribution* changes attributable to Optional Changes.

If the Retail Prices Index is replaced or discontinued, we will decide which other suitable Index we should use for calculating Automatic Increases. Automatic Increases will be reduced or cancelled if *ISA regulations* prevent an Automatic Increase from being made in full.

If a *contributor* has made Optional Changes to their regular *contributions* within the 12 months preceding its anniversary, then we may, at our discretion, postpone the Automatic Increase by up to 12 months from the Optional Change. Future Automatic Increases will then occur at 12 month intervals, subject to any further postponement from future Optional Changes.

If any *contributor* asks us to do so, we will stop their future Automatic Increases, subject to 14 days' written notice. The *contributor* may request that they recommence at any time, subject to 14 days' notice. The recommencement will not take account of any Automatic Increases that would have been made previously but for their earlier cessation.

Investment of Contributions

Contributions will be invested in the *Fund(s)* selected for your *Plan*. We have discretion as to how the assets of each *Fund* are invested. Any income arising from the assets of a *Fund* will be added to the *Fund*.

Each *Fund* is divided into units of equal value. We will increase or reduce the number of units into which a *Fund* is divided at our discretion, in which case we will transfer in to or out of the *Fund* an amount of money so that the value of each unit is unaffected.

We will value each *Fund* each business day based on the closing prices of the assets for that day, or such other time as we may decide. We will calculate the value of the assets in each *Fund* on a fair and reasonable basis.

We will calculate the value of a unit of each *Fund* at a valuation by dividing the total value of the *Fund* calculated at that day's valuation by the total number of units of the *Fund* existing at that time. We will then set a price for a unit of the *Fund* for the purpose of allocating units to *Plans* and computing the benefits under *Plans* that are linked to the *Fund*. It will be equal to the value of a unit of the *Fund* rounded to the nearest one-tenth of a penny. Unit prices set at a valuation will be effective for unit transactions on that day.

We may open new *Funds* from time to time or close or combine existing *Funds* if we think this is appropriate. Where we close or combine *Funds* we will redirect future *contributions* and/or *Fund Switch* existing units, as we decide are appropriate, using the unit prices on the effective date.

Switching Funds

Subject to any conditions or restrictions we may apply, you may request that we redirect future *contributions* and/or *Fund Switch* existing units, using the unit prices effective on the later of the date you select and the day we receive your written instructions.

Allocation of Units to Your Plan

For each *contribution* or transfer payment received, we will allocate to the *Plan* units of the *Fund(s)* using the unit price or prices effective on the day we receive the payment. The total value of the units we allocate at those prices will be equal to the payment received.

The number of units of a *Fund* allocated in respect of each payment, and each *Fund Switch*, will be rounded to the nearest 1/1000th of a unit.

If the effective date for any unit cancellations under the *Plan* is the same day as the effective date for any unit allocations, the allocations will take place first.

Charges

There is an annual management charge of 1.5% of the value of *Fund(s)*. This charge reduces to 1.0%, 10 years after the *Start Date*. This charge is deducted directly from the *Fund(s)* and is reflected in the unit prices.

In addition to the annual management charge the unit prices are affected by other fees incurred directly or indirectly in the sale or purchase of investments held in the *Fund(s)*.

Ownership

The investments of the *Plan* are, and will remain, in the beneficial ownership of the *child* and must not be used as security for a loan.

The title to the *Plan* is vested in the *Registered Contact*. The *Schedule* showing title to the *Plan* shall be held by the *Registered Contact*.

The *Plan* may only be owned or held as a qualifying investment for a Stocks and Shares *Junior ISA*.

The *Plan*, or the rights conferred by the *Plan* or any share or interest in the *Plan* or rights respectively, other than the cash proceeds from termination or part encashment of the rights conferred, including full or part encashment following the acceptance of a terminal illness claim, cannot be transferred to you or the *child*.

The *Plan*, the rights conferred by the *Plan* and any share or interest in the *Plan* or rights respectively, are not capable of assignment or assignation (other than that the *Plan* may be transferred to another *Junior ISA* manager in accordance with the *ISA Regulations* or title to the *Plan* may be transferred to a new *Registered Contact*) and the rights may vest in the personal representatives of the *child*.

Annual Statements

We will prepare and send to you, at least annually, a statement including a valuation of your *Plan* and the amount of all *contributions* made since the previous statement date.

Transfers

On receipt of your written instructions, within any time period you have stipulated (but not less than 10 business days after receipt of your instructions) and subject to the *ISA Regulations*, we will transfer some or all of the *unit account value* of your *Junior ISA* with all rights and obligations to another *Junior ISA* manager. We do not make any charge for the transfer.

Before the transfer can take place we will require written authority from the new manager. We will issue you with a Statement of your *Plan* at the date of transfer. Transfer of the entire *unit account value* will release us from all of our obligations under the *Plan*.

You may transfer the amount of a Cash *Junior ISA* held with another *ISA Account Manager* to us, which we will manage under these Terms and Conditions. The transfer must be made in a manner acceptable to us.

Junior ISA Benefits

Encashment

At any time after the *child's* 18th birthday and on receipt of their written instructions, they may withdraw some or all of the investment. We will pay them all or a portion of the *unit account value* effective on the later of the date they select and the day we receive their request.

We will cancel a number of units of the *unit account* equal in value to the amount payable. If units of more than one *Fund* remain allocated to the *Plan* immediately prior to the withdrawal,

we will cancel units of each of those *Funds* equal in proportion to the value of the units of each *Fund*. The number of units of a *Fund* cancelled in respect of the withdrawal will be rounded up to the nearer 1/1000th of a unit.

Rollover

If the *child* does not withdraw the full value of the investment on their 18th birthday it will automatically roll over into an Adult Stocks and Shares ISA, in accordance with the *ISA Regulations*.

Death Benefit

In the event of the *child's* death we will pay 101% of the *unit account value* effective on the day of death. Payment will be made to the *child's* legal personal representatives after we receive evidence satisfactory to us of the *child's* death.

Terminal Illness Benefit

If we are advised by HM Revenue & Customs (HMRC) that a terminal illness claim has been agreed, then on receipt of *your* written instructions *you* can withdraw some or all of the investment. We will pay *you* all or a portion of the *unit account value* effective on the later of the date *you* select and the day we receive *your* request.

All Benefits

Before we make any payment, we will require evidence satisfactory to us of the entitlement to the benefits of the person or persons claiming payment. All payments are due in the currency of England at our registered office. Payment of the entire *unit account value* will release us from all of our obligations under the *Plan*.

Termination

Your Plan will be managed in accordance with the *ISA Regulations*. We will inform *you* if, by reason of any failure to satisfy the provisions of the *ISA Regulations*, *your Plan* has, or will, become void. We will terminate *your* account if it becomes void under the *ISA Regulations* and will pay the *child* the *unit account value* reduced by such amount of tax as we are obliged to account for under those Regulations. This will release us from all of our obligations under the *Plan*.

The *Plan* shall terminate automatically if it ceases to be owned or held in the *Junior ISA*.
