

KEY INVESTOR INFORMATION

This document provides you with Key Investor Information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

CAUTIOUS MANAGED FUND

Class A Acc ISIN: GB0032477639

Henderson
GLOBAL INVESTORS

A sub-fund of Henderson Investment Funds Series II, an OEIC managed by Henderson Investment Funds Limited.

Objectives and investment policy

Objective

A combination of income and growth of your investment over the long term.

Investment policy

Under normal circumstances, the Fund invests mainly in:

- Bonds, shares, and other types of securities

The Fund may also invest in:

- Any other type of security that is consistent with its objective
- Collective Investment Schemes
- Money market instruments
- Bank deposits

In choosing investments, the investment manager looks for bonds and equities that offer good income and that appear to have greater potential to rise in price over the long term than is reflected in current market prices.

The Fund may use derivatives to reduce risk or to manage the Fund more efficiently.

Designed for Investors who understand the Fund's risks, would like an investment that combines both income and growth and intend to invest their money for at least five years.

Fund currency GBP**Share class currency GBP****Terms to understand**

Bonds Securities that represent an obligation to repay a debt along with interest.

Collective Investment Schemes Funds that invest in shares and other securities from the UK and elsewhere.

Money market instruments A short term debt instrument, issued by a government or company as a way to raise money. Generally considered a cash equivalent.

Shares Securities that represent fractional ownership in a company.

Volatility How sharply the Fund's share price has gone up and down over a period, generally several years.

You can buy, sell or switch shares in the Fund on any business day, as defined within the "Definitions" Section of the Fund's prospectus.

The Fund offers accumulation shares (shares in which net income is retained within the price) and income shares (shares in which net income may be paid out to investors).

Risk and reward profile

Typically Lower potential risk/reward

Typically Higher potential risk/reward

Lower Risk

Higher Risk

1	2	3	4	5	6	7
---	---	---	---	---	---	---

The value of an investment in the Fund can go up or down. When you sell your shares they may be worth less than you paid for them.

The risk/reward rating above is based on medium-term volatility. In the future, the Fund's actual volatility could be higher or lower and its rated risk/reward level could change.

The lowest category does not mean risk free.

The Fund's risk level reflects the following:

- The Fund invests in a mix of different asset classes
- Fluctuations in exchange rates may cause the value of your investment to rise or fall

The rating does not reflect the possible effects of unusual market conditions or large unpredictable events. Under normal market conditions the following risks may apply:

Counterparty risk The Fund could lose money if a counterparty with which it transacts becomes unwilling or unable to meet its obligations to the Fund.

Default risk The issuers of certain bonds could become unable to make payments on their bonds. The risk of default may be higher where the Fund invests in sub-investment grade bonds.

Liquidity risk In difficult market conditions certain securities could become hard to value or sell at a desired time and price.

Management risk Investment management techniques that have worked well in normal market conditions could prove ineffective or detrimental at other times.

The full list of the Fund's risks are contained in the "Risk Factors" section of the Fund's prospectus.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of managing and distributing it. These charges reduce the potential growth of your investment.

If you invest through a third party provider you are advised to consult them directly as charges, performance and terms and conditions may differ materially to those shown in this document.

One-off charges taken before or after you invest*

Entry Charge	5.00%
--------------	-------

Exit Charge	0.00%**
-------------	---------

* The charges shown are maximum figures. In some cases you may pay less.

** Subject to a charge of up to 3.00% where the Manager suspects excessive trading by an investor (and specifically on subscriptions held for less than 90 days).

Charges taken from the Fund over a year

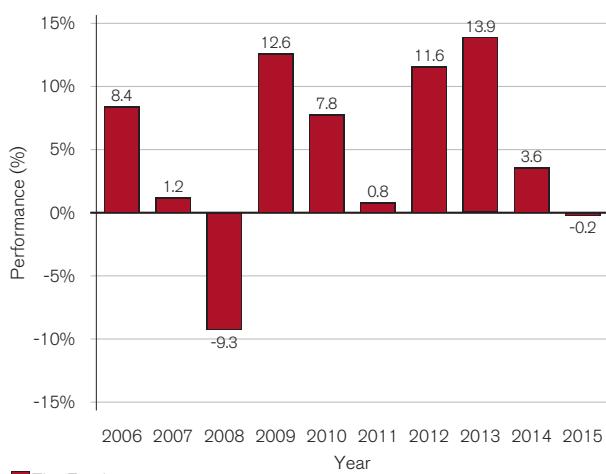

Ongoing Charges	1.44%
-----------------	-------

The ongoing charges are based on last year's expenses for the year ending 31 July 2015. Ongoing charges may vary from year to year.

The figure for ongoing charges excludes portfolio transaction costs, except in the case of an initial charge paid by the Fund when buying shares or units in another fund.

For more information about charges, please see the "Charges" section of the Fund's prospectus.

Past performance

The past performance is calculated in GBP.

The Fund and the share class were launched in February 2003.

Past performance is not a guide to future performance.

The past performance shown in the chart takes into account all charges except entry charges.
