- Grades: 35%

Based on the number of applicants, the competition for these scholarships is high. The minimum requirements of an essay (for New Applicants only), volunteer hours² and grades are items all students need in order to just be considered for a scholarship. Please be mindful that at any time during the selection period, you may be asked to submit proof for the number of community service hours worked. **Meeting or exceeding these requirements does not mean or guarantee that you will be chosen as a Scholarship recipient.**

Note: up to 75 applicants from the UK will be chosen by the Selection Committee as scholarship winners. This includes Returning Candidate scholarship recipients.

Volunteer/Community Service

Preference will be given to applicants who have:

- Been involved in volunteer activities that support family well-being, including playgrounds/public space cleanup, children's health/wellness and other projects connected to family togetherness.
- Held leadership roles in their volunteer activities.
- Participated in a Foresters Community Volunteer activity.

Competitive Scholarship encourages students to support a wide range of volunteer activities and types of projects and programmes. While each application will be evaluated on its own merits, Competitive Scholarship will not accept partisan, political or direct religious volunteer/ community service activities.

Essay

For New Applicants only:

In 250 words or less, all applicants will need to share a written response about their experience with a volunteer project where they gave back and supported a community need. Why was it meaningful and how did it impact the community?

Restrictions

The following restrictions apply to the Competitive Scholarship member benefit:

1. New Applicants whose applications have been declined or accepted are able to apply for a Competitive Scholarship up to three consecutive times by completing the Returning Candidate application until such time as the recipient's first post-secondary degree or equivalent is earned at which point applicants will no longer be eligible for a Competitive Scholarship.
